Songs for our times

NO MATTER WHAT

I've been shattered,
Battered, splattered, scattered.
No matter what!
I've been there.

Down on the ground.
No turning round!
Smashed, lashed,
crashed, mashed.
I've been there.

No matter what !
Gotta get up!
Gotta be strong!
Keep moving along!

Carry on!
Carry on!
No matter what!
No matter what!

I've been fed up, beat up,
Strung out, thrown out!
Down on the ground,
No turning round.

I've been crushed, bashed, lashed, slashed, crashed.
Out of cash.
No matter what!
I've been there.

Well, you gotta be strong.
Gotta get up!
Gotta keep on moving along!

Carry on!
Carry on!
Carry on!
No matter what!
No matter what!

When your life has broken down,
On the ground,
You gotta get up!

When you're lost,
You can be found,
Can be found!
You gotta get up!

No matter what!
No matter what!

I've been shattered, battered, splattered, scattered.
No matter what!
I've been there.

Down on the ground,
No turning round.
Smashed, lashed,
Crashed, mashed.
I've been there.

I've been fed up, beat up,
Strung out, thrown out!
Down on the ground!
No turning round.

I've been crushed, bashed,
Lashed, slashed, crashed.
Out of cash!
No matter what!
I've been there.

But you gotta get up!
Gotta be strong!
Keep moving along!
Carry on!
Carry on!
Carry on!

Gotta get up!
Gotta be strong!
Keep moving along!
Moving along!
Sing your song!
Carry on!
Carry on!

No matter what!
No matter what!
No matter what!
