ROLLER COASTER

The great roller coaster of life
Makes my head spin.

Up and down! All around!

With you by my side,
Hold on tight!
We'll take this wild ride.

So, hold on! Up we go!
Up we go!
Up we go!

Up we climb! Our senses spin!
Now take a spin!
Take a spin!

Bam! Bam! Hold on!
Down we go!
Down we go!

Joy turns to heartache.
We make mistakes.
Our hearts break.

Times can be rough.
Life can be tough.
Just hold on!

Imperfect as life is,
Let's live it!
Imperfect as life is ,
Let's love it!

Imperfect as life is,
Let's taste it all!
Live it!
Love it!
Savor it all!

The great roller coaster of life
Makes my head spin
Up and down! All around!

With you by my side,
Hold on tight!
We'll take this wild ride.

When the floor slips away,
I'll catch you.
When your dreams crash,

I'll hold you.
When despair rocks you,
I'll give you hope.

The great roller coaster of life
Makes my head spin.
Up and down! All around!

With you by my side,
Hold on tight!
We'll take this wild ride.

(Repeat chorus)
