Songs for our times

STRONG WOMAN

CHORUS:

Give me a strong, strong woman. (Repeat 4 times)

Give me a strong woman
Who loves without limits.
Together we'll take on the world.
We'll make a better world, a better world.

Give me a strong woman.
We'll care for our families
And build our communities.
We'll share laughter and love, laughter and love.

CHORUS:

Give me a strong, strong woman. (Repeat 4 times)

Give me a strong woman,
Fighting for what's right.
Standing for Justice day and night.
That woman is you. That woman is you.

Give me a strong woman.
We'll be tough in hard times.
As a team, OH,
New heights we will climb.
New heights we will climb.

BRIDGE:

In these uncertain times,
Strength is what we need.
You inspire me.
You inspire me.

In these uncertain times,
Love is what we need.
I give love to you.
You give love to me.

CHORUS:

Give me a strong, strong woman. (Repeat 4 times)
